Desination Weddings

Ladies and Gentelmen,

With the wedding industry changing ever so quickly, clients are moving to newer and more extravagant sites across the globe to find the perfect location for their wedding. Toxic Sounds Roadshow have had the opportunity to work in many luxurious locations around the United Kingdom along with destination weddings.

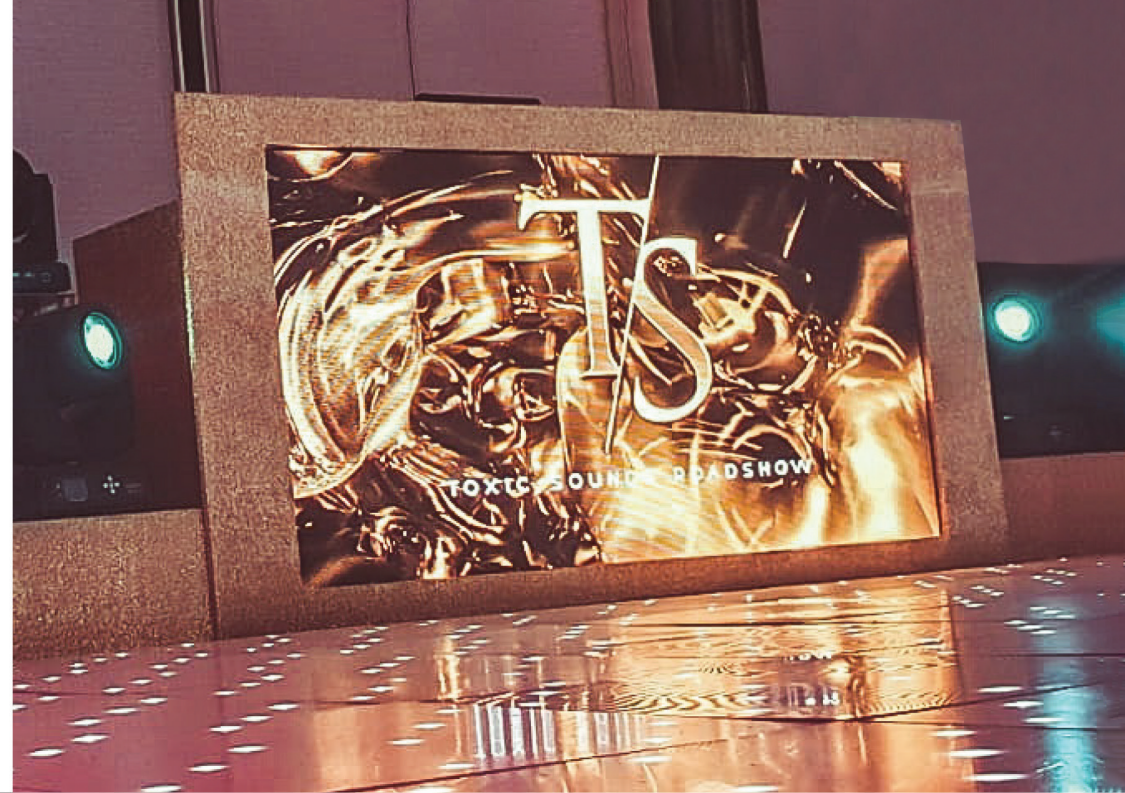

The latest of which includes the memorising vineyards in Tuscany, Italy. Where the Toxic Sounds team provided wedding entertainment for our stunning couple along with their friends and family with amazing views, rocky mountains and breathtaking sunsets.
